TRUE LOVE
BEGINS WITH
GOD

February 11, 2012

**An evening with
Pastor Bob and Mrs. Jeanne Claycamp**

We have all been created to give and receive LOVE.

Author and Pastor Bob Claycamp, and his wife Jeanne will join us for the evening to explore what God has to say about this very important subject of LOVE.

Please come join us for an evening devoted to understanding what it means to have a LOVING relationship with a LOVING God.

Whether you are in a relationship, desire a relationship, or want to learn how to love those around you, they all begin with your relationship with God.
