Scripture Meditation of the Week

2 Peter 1:3

as His divine power has given to us all things that [pertain] to life and godliness, through the knowledge of Him who called us by glory and virtue.

God has given us everything we need for us to live a life of holiness; to live a successful Christian life through His divine power. God has given us all that pertains to a spiritual life, a life of godliness, and this abundance for this life comes to us through the knowledge of God.

How important that you come to know God?

Without knowledge of Him we cannot know life and godliness. 'Knowing' refers to an exact, thorough knowledge and can only come from devoting our lives to Him, studying Him, following Him.

And how can you come to know God?

By learning His Word and experiencing Him through His own revelation of Himself. We have a tendency of creating God in our own image, according to our knowledge and feelings. These ideas are all centered around our own personality and ideals. But it is so important that my understanding and revelation of God come from Himself, from His revelation of Himself. The most complete revelation came through Jesus Christ, and through Him I come to a knowledge and an understanding of God. And as I come to the knowledge and understanding of God, I grow in grace. And as I come to the knowledge and understanding of God, I find that God has given unto me everything that I need for this life, for a life of godliness.

As stewards of God we can only good and faithful if we know our Master, His desires and priorities.
